

Release Notes: Williams™ Pinball: Star Trek™: The Next Generation Legends Single Premium Pack for Legends 4K™ Pinball Machines (May 15, 2024)

Williams™ Pinball: Star Trek™: The Next Generation Pack Version 1.13

Williams™ Pinball: Star Trek™: The Next Generation is now available to purchase or redeem for your AtGames Legends 4K™ Pinball Machine! Beam on into this classic pinball table available on the AtGames E-Store and make it so today.

Additional Notes:

1. When beginning a round, the DMD will cycle left-to-right, then right-to-left, between 5 launch options (Start Mission, Flipper Skill Shot, Launch Probe, Light Lock, Warp Factor) before the player launches the ball. The displayed option will be selected when the ball is launched. Note: The player can speed up the selection by pressing either flipper button.
2. Currently on CE-4K Williams™ Pinball: Star Trek™: The Next Generation is listed and sorted under "W" with the official title of the table.
3. The backglass image for the table does not scale to fit the entire monitor as to not distort or stretch the original image.

Known Issues Being Worked On:

1. There is some noticeable flipper lag in Williams™ Pinball: Star Trek™: The Next Generation that is being worked on for a future update to improve.
2. Slight flipper audio echo is heard from the backbox speakers.
3. In some situations, players may experience minor ball stuttering during gameplay.
