

Release Notes: Jurassic World Pinball Legends Mini Pack for Legends 4K™ Pinball Machines Update (April 2, 2025)

Jurassic World Pinball Legends Mini Pack Version 1.10

Something legendary has arrived in Jurassic Park™ Pinball and Jurassic Park Pinball Mayhem™ ... and it sounds AMAZING.

Zen Studios has officially acquired the rights to one of the most iconic pieces of music ever created, and starting TODAY with the v1.10 update, you can hear it in-game on your Legends Pinball 4K™ machine!

This theme is instantly recognizable, beloved by generations, and now, it's part of the pinball action. It's an absolute honor to have Zen Studios bring this masterpiece to AtGames players. Now you can experience Jurassic Park Pinball Legends Mini Pack in its full, cinematic glory.

Welcome to Jurassic Park...
