

Release Notes: Jurassic World Pinball Legends Mini Pack for Legends 4K™ Pinball Machines (August 21, 2024)

Jurassic World Pinball Legends Mini Pack Version 1.5

With one pinball table based on Jurassic World™ and two more inspired by Jurassic Park™, you know what that means - LIFE FOUND A WAY! Experience prehistoric pinball perfection with all three tables available on the AtGames E-Store and via Legends On-Device-Purchase (ODP) at AppStoreX™ today.

Jurassic World Pinball Legends Mini Pack Includes These Tables:

- Jurassic Park™ Pinball
- Jurassic Park Pinball Mayhem™
- Jurassic World™ Pinball

The Jurassic World Legends Mini Pack is playable on all currently released Legends 4K™ machines and will be compatible with future AtGames Legends 4K™ devices.

Additional Note

- For Jurassic Park Pinball Mayhem™, before you launch the first ball, you must select the first Evacuation Zone from the DMD. Using the flipper buttons, cycle through the 4 available evacuation zones and then select the one you want via the Start button. After choosing an evacuation zone, launch the ball via the Plunger or the Start button.

Known Issues Being Worked On:

1. There is some noticeable flipper lag in the Jurassic World tables that is being worked on for a future update to improve. (The October 10, 2024 scheduled re-release of this table pack will have the flipper lag improvements).
2. Slight flipper audio echo is heard from the backbox speakers.
3. In some situations, players may experience minor ball stuttering during gameplay.
