

Release Notes: **Legends Access App**

(July 30, 2026)

Highlights

- AtGames Legends Access is now available as a free download from AppStoreX™ on compatible Legends devices!
- Legends Access brings your AtGames account, AppStoreX™ shopping and downloads, leaderboards, tournaments, personal scores, and messages together in one convenient application—directly on your compatible Legends device.

Getting Started

Legends Access is free to download and use. Games, applications, and subscriptions available through AppStoreX™ retain their listed prices.

To install Legends Access:

- Connect your compatible Legends device to the internet.
- Sign in to your AtGames account from the device's main menu.
- Open AppStoreX™.
- Search for AtGames Legends Access.
- Download and install the app.

Important: *Legends Access uses the AtGames account session already active on your device. You must sign in from the device's main menu before launching the app. Legends Access does not include a separate sign-in screen.*

Compatible Devices

Legends Access is currently available on:

- Legends Pinball HDP™
- Legends Pinball 4KP™

Additional Legends device support is currently in development and will be introduced in a future update.

Leaderboards & Tournaments

Explore competitive play from the Leaderboards hub:

- Global Leaderboards - Browse rankings across supported games and available time ranges.
- Tournaments - Explore featured tournament events and view overall or individual game standings.
- Private Tournaments - Create invitation-only competitions, join friends using an invitation code, and follow member-only standings. Learn more about Private Tournaments [HERE](#).
- My Scores - Review your personal scores and ranking history.

Release Notes: **Legends Access App**

(July 30, 2026)

My Account

Manage important AtGames account information directly from Legends Access:

- View your Legends ID.
- Review registered devices.
- View purchased licenses.

AppStoreX™

Browse games, applications, subscriptions, and special offers directly from your Legends device.

AppStoreX™ features include:

- Browse and purchase eligible content.
- Add multiple items to your cart.
- Complete multiple purchases in one transaction.
- Pay using a credit card.
- Apply an AppStoreX™ gift card during checkout.
- Pay any remaining balance with a credit card when a gift card does not cover the full order.

Downloads & Content Management

Use the separate Downloads section to manage content connected to your AtGames account:

- Install newly purchased content.
- Download available updates.
- Uninstall installed titles.
- Reinstall content that remains linked to your account.

Installations are completed one at a time. After installing or uninstalling content, Legends Access will prompt you to reboot when the arcade menu needs to refresh its cached library.

Messages & Offers

Stay informed directly from your Legends device:

- Read notifications selected for your device.
- Discover eligible offers.
- Review and redeem eligible offers through Legends Access.

Release Notes: **Legends Access** (July 30, 2026)

Known Issues

- An occasional "High score download failed" error message may appear when previewing the backglass.
- Global leaderboard pages may take longer than expected to load.
- Quick Search is currently unavailable when selecting tables for a Private Tournament.
- Table selection may be slower than expected when browsing through the table list while creating a Private Tournament.

Miscellaneous

- For the latest information on future releases, please follow AtGames on Facebook (@AtGamesGaming), Twitter/X (@AtGamesGaming), or Instagram (@atgamesgaming).
