

# Release Notes: AtGames Natural History Legends 4K™ Pinball Pack 2 and AtGames Natural History HD Pinball Pack 2 (September 26, 2024)

## AtGames Natural History Pinball Pack 2 version 1.13

AtGames Natural History Pinball Pack 2 is now available to redeem or purchase for your AtGames Legends 4K™ or Legends HD Devices! Current owners of the Legends Pinball 4KP - Dinosaur Dynasty Standard Edition [SE] will be receiving the Legends 4K™ version of this pack via a free over the air update.

### Included Tables in AtGames Natural History Pinball Pack 2:

- Africa
- Deep Ocean
- Egypt
- Polar Expedition

**Note:** AtGames Natural History Pinball Pack 2 tables are included with the purchase of the Legends Pinball 4KP - Dinosaur Dynasty Standard Edition [SE] and will be automatically downloaded to these machines. They are also playable with an active PinballNet™ subscription.

### Compatibility:

- AtGames Natural History Legends 4K™ Pinball Pack 2 is playable on all currently released Legends 4K™ Pinball Machines and will be compatible with future Legends 4K™ devices.
- AtGames Natural History HD Pinball Pack 2 is playable on all currently released Legends HD devices and will be compatible with future Legends HD devices.

### Known Issue:

- On Legends HD devices, under certain conditions, slight ball stuttering may be observed.
- When played on Legends 4K™ devices, Legends HD Pinball Devices, and the Legends Core Max HD, the frame rate is 60 FPS. For all other devices the frame rate is limited to 30 FPS.
