## Known Issues Being Worked On:

1. When selecting a mode in South Park™: Butters' Very Own Pinball, the plunger does not work. Modes can be chosen with the Start Button or pressing down on the D-Pad/Joystick.
2. The DMD images and text in both tables sometimes approach the very edge of the DMD screen.
3. There is no audio feedback when nudging the tables.
4. Switching the Flipper and Nudge buttons inside of the Pinball Settings does not function properly within Zen pinball tables.
