Williams™ Pinball: The Champion Pub™ Legends Single Pack v1.1

Williams™ Pinball: The Champion Pub™ Legends Single Pack is available now to purchase on the AtGames E-Store and via Legends On-Device-Purchase (ODP) at AppStoreX™ today.

Technical Statistics: Williams™ Pinball: The Champion Pub™ has an average flipper latency of 74.80ms with 6.28ms Standard Deviation and a Display Resolution of 1440 x 2560 pixels.

Known Issues Being Worked On:

1. In rare cases, if the table tilts when the ball save feature is activated, the ball will not be able to drain. If this happens, the user can only Quit Round or Exit the table.
2. Switching the Flipper and Nudge buttons inside of the Pinball Settings does not function within Zen pinball tables.
3. In rare cases, on startup the table will experience a loss of sound and you will be unable to launch the ball. Restarting the table, or Quitting the round, will resolve this issue.
