- Legends 4K™ Pinball Packs can be found here.
- The latest release notes can be found here.

Known Issues Being Worked On:

1. Switching the Flipper and Nudge buttons inside of the Pinball Settings does not function within Zen pinball tables.
2. When transferring from internal storage to FDX, the preview table art may be missing. To fix uninstall, reinstall and reboot the machine.
3. In rare cases, the game may fail to continue after tilting.
